Sabena air crash

Dear Mr. Kreindler:

This letter is in reply to yours of June 11, 1962, inquiring concerning the Sabena 707 accident at Brussels on February 15, 1961.

After extensive search within the Department of State, and inquiry to the Civil Aeronautics Board, it appears that no report of investigation of the subject accident has been sent to either the Department or the Board. Therefore, another message has been sent to our Embassy in Brussels requesting that the Investigation Commission be asked when it is contemplated that a report of investigation will be completed and published.

I shall be happy to pass on to you any information which is transmitted to the Department as a result of this inquiry to our Embassy.

Very truly yours,

Geary T. Snowden
Chief
Aviation Division
